

Launch of Robot Nurse at SSG Hospital, Vadodara

Ahmedabad, July 17, 2020: With the world facing COVID19 pandemic and the doctors and staff working tirelessly to safeguard us, Gujarat CSR Authority (GCSRA) has deployed 2 robotic nurses at SSG Hospital, Vadodara on 16th July, 2020. These nurses will help the para-medical staff share the load while decreasing the chance of catching the infection.

The web launch was attended by Shri M. Thennarasan, IAS, Hon. VC & MD, GIDC & CEO GCSRA, Ms. Shalini Agrawal, IAS, Collector, Vadodara, Mr. Pankaj Kamliya, COO GCSRA and Shri Sudheer P.V, Head-Onshore, L&T Hydrocarbon Engineering Ltd.

The entire project is monitored by Gujarat CSR Authority (GCSRA) while the financial support has been provided by L&T Hydrocarbon Engineering Ltd.

During the web launch of the robotic nurse; Shri M.Thennarsasan, CEO of Gujarat CSR Authority quoted, “With the launch of these robot nurses we mark a new era in the cyber-human interface amidst this crisis. This will also reduce the burden on the state’s medical staff.”

The robot nurses will provide primary health care to patients like providing them medicines, food, screening temperature etc.

About Gujarat CSR Authority:

Set up by the Government of Gujarat in 2014, Gujarat CSR Authority helps public and private sector companies optimally utilise the CSR funds, and also contribute to the welfare of the state. The purpose of the organisation is to also manage the CSR funds and for coordinating, monitoring and implementing the various CSR activities in the state.

GCSRA provides support to the companies and PSUs in development of CSR strategy and Annual Plan. It also offers training and capacity building support for a common platform to corporate, government agencies, NGOs and civil society members to share their expectations, aspirations and responsibilities to address the problems faced by the state.
