A counselling session of course participants was arranged on 20th June' 2019 at IIPHG. The objective of the session was to know the participants' experience (verbal and written) during internship at Zydus Hospital, providing them information related to internship at Home Care and taking preference of shift duty timings for the internship.

- **Students Feedback on the Internship at Zydus Hospital**

Course participants were asked to give feedback on internship at hospital covering various aspects such as exposure to various hospital departments and services, description of work done, learnings in hospital and overall experience. During the period of one month students were posted and rotated in

various departments such as Patient ward, ICUs, OPDs, Radiology and diagnostic department, Dialysis department etc... More than half of students rated the hospital as good from the learning point of view.

- **Home Care Preparation Meetings with Partner Agencies**

As per the course requirement, participants are having one month internship at home care setting. Project team multiple back and forth meetings with a partner agencies; Subh Arogyam Private Limited and Pasttella Care. The internship duration, timing, leave and other requirements were discussed in advance during meetings. The list of students, student assessment form and list of skills the students have learnt during the course were shared with the two agencies. They were asked to submit participants' attendance sheet and assessment forms to IIPHG after completion of internship. The student assessment form is attached as annex 1.

- **Internship at Home Care Settings Commenced (24th June' 2019)**

Following the completion of internship at Zydus Hospital, participants are placed in Home Care settings. Of total 22 candidates, 6 students are placed with Pastella Care and 16 candidates are with Subh Arogyam Private Limited (SAPL). Project team accompanied the participants on their orientation day. Participants with Pastella care are placed in Ahmedabad and in Gandhinagar after a consultation meeting with them. And participants with SAPL are initially posted at their residential organization. As per discussion, participants will be placed for home-care on weekly rotation basis, if the elderly under home-care agree.

- **Preparation and Planning of Students Placements**

As proposed, IIPHG will facilitate the placements of course participants. To start with, IIPHG has prepared the data base of potential employers who may be interested in recruiting our

trained carers. The potential employers list includes hospitals, elderly care organizations, home care agencies, startups or NGOs. IIPHG has also designed a placement brochure which will be utilized for placement purpose. IIPHG is planning to organize placement drive in the end of July and convocation function in the 1st week of August. The data base of potential employers and draft placement brochure are attached as annex 2 and 3.
