Outcomes of Visit at Nav Kaushalya- Savitaben Amin Institute for Girls & Women, Vadodara

- This Institute was formed by Navrachana Education Society in 2015.
- Nav-Kaushalya is an initiative run by Navrachana Education Society in the field of basic & vocational education for girl students from economically weak section.
- The basic objective of the institute is to inspire girls from socially disadvantaged backgrounds and who are presently out-of-school to get back into school.
- Nau Kaushalya's academic program is designed specifically to ensure literacy and numeracy skills in every student with the development of skills training that matches the student's innate talent and aptitude.
- At present the centre is providing Skill Education to 35 girls in the following vocational areas:
 - Front Office Assistance & Reception
 - Crèche & Play Centre Management
 - Data Entry Operation in Hindi, Gujarati & English
- The infrastructure and the facilities available at Centre is able to train upto 100 girls in various areas of Skill Training.
- One Project of Kitchen-Cooking Lab for cooking & catering program is in process of finalizing.
- All the present Students at centre are come from all socio-economic backgrounds.
