

1) L & T Construction Skills Training Institute, Ahmedabad

L&T Construction is playing a key role in creating skilled labour through its Construction Skills Training Institutes (CSTIs) that are spread across the country. L&T began to promote Construction Vocational Training (CVT) in India by establishing a Construction Skills Training Institute (CSTI) in late 1995 at Chennai. For more than a decade, CSTI has been developing skilled workforce through structured training. The Institute has separate conducive campuses at Chennai, Mumbai, Ahmedabad, Bangalore, Hyderabad, Kolkata, Delhi and Cuttack for Practical and Class Room Training. The objective of the institute is to facilitate training by setting up modular training schools with well-defined infrastructure and curriculum.
