PROJECT 1:

ARPAN CHARITABLE TRUST- VADODARA

Establishment of a new unit for children having Down Syndrome

- The Project “Establishment of a new unit for Children having Down Syndrome” is supported by GUVNL.
- The Age Group of children enrolled in Arpan Diagnostic & Development Centre is one month to 30 years.
- Overall children at Arpan are 157, while in Project aspect there are 46-47 young children. And agency personnel shared that the number of children may get change as they are Down Syndrome children and they are having constant mood swings.
- They are having activities such as Physio and speech therapy, Vocational rehabilitation, Assessment and Diagnosis.
- They are catering all kinds of handicaps under one roof. And children are more expert in games and Sports in Mahakumbh.
- There is less scope of vocational training at Arpan, as shared by agency personnel that these children cannot sit for longer time at same place but, they have displayed few things made by children like Diyas, Paper bags, etc.
- The project has been completed, the list of beneficiary details is attached herewith.
