## Role of GCSRA:

Gujarat CSR Authority has also put greater emphasis on Livelihood. To fulfil this purpose, CSR authority has designed the project which includes Checkdams Repairing-Upgradation and Agriculture Diversification at Chhotaudepur in Gujarat. As Gujarat green Revolution Company Ltd. has decided to spend their CSR Fund in Skilling for Livelihood, GCSRA has implemented this Project through Shroffs Rovadan Trust- Vadodara.

## Financial Update:

The total funds allocated by GGRC under the project is Rs.30 Lakhs and out of this Rs.21,23,298/- has been transformed and utilised. The sum of

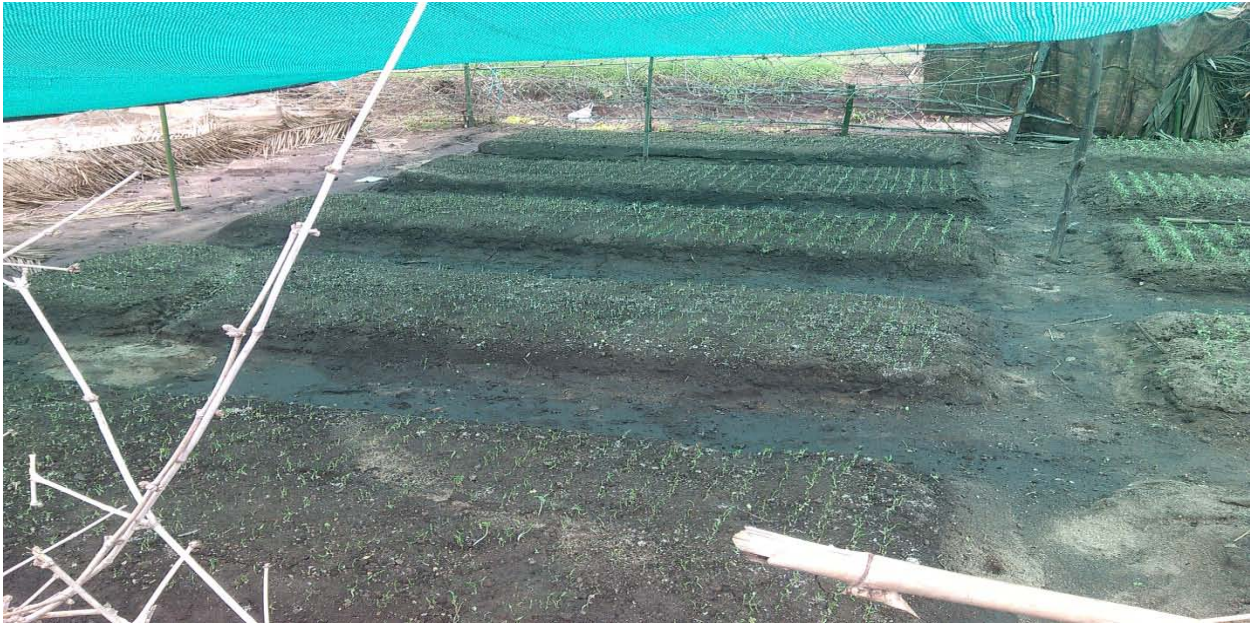

**Rs.2,21,296/-(10%) funds has been released to the implementing agency after the submission of the project completion report. For Remaining funds, GCSRA is planning to spend in a specific cluster of the Chhotaudepur distict. The survey process is ongoing for this project.**
